### Agenda and memorandum

1. Agree on agenda
  - a. Agreed
2. Approval of the previous meeting memo,  
<https://1drv.ms/b/s!Aral44MGEo7BgRqgSvtONUzVllgQ>
  - a. Approved
3. Latest news from meeting participants
  - a. Vlada: phone call with Jacco de Jong from Bolero. Better understanding of R3 Voltron project.
  - b. Saila also reported the WG2 item on the electronic CMR (Convention relative au contrat de transport international de Marchandises par Route) documentation standardization in Finland that is close to our community ideas to link to logistics data sets and their processes.
  - c. Sead told via email that the BAFT MPRA-project did not to go into Blockchain based PoC. After discussion in this meeting, Saila and Timo told that there is an opportunity to use the same combo of R3 Corda and Hyperledger Indy identity solution. Sead may contact Timo on this.
4. Way forward, news from the last week's WG1 meeting
  - a. memo at: <https://1drv.ms/b/s!Aral44MGEo7BgTKP-cMOIVXnmv2c>
  - b. following and supporting the possible WG1 selected short term goal for setting actual work on one most wanted area / instrument of TF
  - c. one candidate would be Gtees as listed above, where Standard Chartered's own PoC case based on R3 Corda
    - i. SWIFT MT7xx standard release update was delayed
    - ii. not too many Third Party Providers involved (end-users and banks only in practice)
    - iii. also the Gtee process is straight forward to manage compared to LCs
    - iv. ISO 20022 base standard exists
    - v. possible push to R3 consortium to get into agenda as a common PoC

5. Tech Projects listing
  - a. the summary document at <https://1drv.ms/x/s!AraI44MGEo7BgQq6tvC8dceNyFtL> was updated with some more initiatives. Many of those will need further details mapping.
6. Task list update
  - a. please, see below
7. AOB
  - a. ITFA (<http://itfa.org/about-us/fintech-committee/>) TF-oriented FinTech seminar in Finland on the 2019-02-27 (initiated by discussions in the ST common meeting in November)
    - i. Venue offered by OP Financial Group and main topic around how TF-oriented FinTechs may support and offer renewal tools for TF
    - ii. Event's advisory group to meet on Thursday morning setting the agenda draft and heads-up message to be booked at the calendars
  - b. Harri did set the common community quarterly meeting one day before this event
