

Gtee semantic model mapping session by WGs #1 and #2, 2020-06-22, 13-15 CET

Attending:

Kirsi Larkiala
Olli Jääsaari
Saila Alapiha
Hugo Verschoren
Harri Rantanen
Mario Reichel
Sirpa Kosonen

Items discussed:

- previous memo
 - o no comments
- status and actual work on
 - o Harri has not been able to put time to gtee work since last meeting
 - o no changes from others as well
- Harri to remind the group to come back with mapping exercises during the summertime
 - o we will need input on how the current model works and what needs to be changed / added
 - o as well as the possible upcoming rules work in dependencies of the data set's individual fields
- ICC Finland's possible work with corporations on standards
 - o when Saila joined, this is most probably only a discussion of availability of use of document sharing without paper due to covid-19 impact
 - o Hugo added this to be an international trend now to impact ICC rules towards more paperless approach
- next steps and meeting
 - o next meeting on the 2020-08-26 at 13:00 – 15:00 CET
 - o Plenary meeting will be held on upcoming Thursday, the 2020-06-25 at 13-15 CET
