

Standardised Trust WG meeting, 2022-09-05, at 13:30-15:45 CET

Thanks for the ones attending!

The agenda

1. Some common matters
 - a. Physical meeting to be held at the SEB Helsinki office on Monday, the 26th of September, at 14-16 CET / 15-17 EEST
 - i. Teams meeting will be available as well
 - ii. Harri makes a survey of the way of working and overall future plan again before the plenary meeting
 - iii. Good discussion already on the community achievements even we work totally on voluntary basis and time that is left from other weekday tasks
 - b. ITFA & Finnish Fintech Ecosystem & Standardised Trust Helsinki event, facilitated by OP Financial Group, will be held on Tuesday, the 27th of September 2022
 - i. Good interest to get both speakers and audience to the event, both Finnish and international ones
 - ii. More actual case studies than only “sales pitches”
 - iii. API interest as well high and there will be a dedicated session
 - iv. OP kindly facilitates the venue, lunch and other practicalities
2. Guarantees
 - a. G8 – Governmental gtee case
 - i. Some progress in the Finnish customs gtee, yet the contact person will be changed and new effort will be needed – Kirsi will continue
 - ii. UK customs gtee also ongoing even split to two streams
 1. Digital gtee is possible in legal terms for show casing the digital process
 2. Customs system viability to be tested with dummy data and use case end-to-end with partner solutions
 - b. G14.1 – German SWIFT team sample case transformation to our use cases
 - i. To be continued when time allows
 - ii. Pirjo reported that there will be a SWIFT guide on the cases as well this autumn
 - c. G15 – use case testing
 - d. G16 – reductions use case
3. Documentary Credits
 - a. DC2.1 – base template work
4. Next meeting as physical / Teams setup as a plenary meeting
