

Standardised Trust WG meeting, 2023-11-20, at 14:00-15:00 CET

Attending: Harri Rantanen, Jacco de Jong, Kirsi Larkiala, Saila Alapiha, Seija Haavisto-Virtanen

The agenda

1. Common matters
 - a. Member status
 - i. N/A
 - b. Common event at OP by ITFA, FFE and us (and SEB), 2024-02-08
 - i. Agenda in preparation
 - ii. 7.2.2024 SEB pre-event plus physical meeting of our team and other people willing to join
 - iii. Mario already confirmed his attendance to the Helsinki event
 - c. Possible attention at the Finnish national SWIFT member groups
 - i. Saila has been reminding the Finnish Swift NMG chair on the matter, but still on waiting mode
 - d. Market news
 - i. EU eFTI vs. MLETR approach
 1. ICC Finland Digital Economy Commission will send comments at the latest tomorrow to avoid any conflict on eFTI based on EU eDelivery mode (four corner model and PEPPOL) and MLETR approach of digital data and document exchange
 - ii. ICC DSI & Swift API webinar in January 2024
 - iii. Contour shutdown
 1. Big impact for the TF digitalisation credibility and progress
 - iv. GTR Nordics in Stockholm on the 23rd of November
2. Guarantees
 - a. G8 – Still missing the exactly right persons missing on the Customs guarantee use case (Finland)
 - i. EU level suggestion on the common GUM customs guarantee regulation proposal might postpone any interest to continue discussions on the matter
 - b. G14 – Saila, Laura and Riitta has had meeting on the use case development
 - i. Saila will send Harri comments on the amendment use case's impact to the semantic model
 - ii. Common meeting with the DC thread to conclude the findings and make an intermediate summary
3. Documentary Credits
 - a. DC2.1 & DC2.2 – Harri has continued the JSON schema work a bit further. Still a lot to do yet aiming to have the first draft ready by the year change.
 - i. Also Vlada and Saila has had a meeting on the DC model and use case testing
 - ii. It would be now good to make an intermediary conclusion meeting to cover findings from both JSON and use case insights
4. Harri to arrange a small group meeting on bank guarantees and documentary credit findings mapping as changes to semantic models of ours
5. Next meeting on the 18th of December, 2023
