

Standardised Trust WG meeting, 2024-05-27, at 14:00 – 15:52 CET

Attending: Harri Rantanen, Mario Reichel, Saila Alapiha, Jacco de Jong, Gunnar Collin, Rebeca Suup

The agenda

1. Common matters
 - a. Member status
 - i. Sari Jylhä (SEB) has left the active working group
 - b. Market news
 - i. eBL and electronic document processing interest rising a lot
 - ii. ICC KTTDE analysis on-line tool for harmonising the various trade related documents' data fields at: <https://www.digitalizetrade.org/ktdde>
 - iii. MLETR
 1. 5th of June the French parliament will vote for the MLETR adaptation for the local legislation
 2. Same day the French community with ITFA will arrange a physical event in Paris with the same agenda
 - iv. ITFA conference in Stockholm last week (Saila and Gunnar attending)
 1. Swedish banking community well aware of the digitalisation need in global trade and trade finance
 - v. ISO 20022 Trade SEG has been again reactivated after quite long silence
 1. Trade APIs to be worked further by the basic cases defined by Swift and ICC DSI
 2. Consideration of two options (continue with BG/SBLC work or open up the DC work as well) ongoing and unclear
2. Bank Guarantee status and Documentary Credits next steps
 - a. Task forces for the gtee and DC semantic model cleanup work has been started (gtees: Laura, Saila, Seija, Harri and DCs: Rebeca, David, Saila, Seija, Harri)
 - i. Two meetings by the BG team and one by the DC team
 - ii. Harri presented the statuses of both teams and work done on both Excel Workbook, JSON schemas and needed code lists at the <https://standardisedtrust.com/resources/> site
 - iii. The results were deemed to be good enough for the next steps of model publication
 - b. Next steps agreed
 - i. Making a note draft (Harri) what this is all about to promote the model and its meaning for the market data exchange interoperability
 - ii. Options to make things available public review
 1. Own publication with a note (home site, LinkedIn, GitHub, OneDrive)
 2. CGI-MP
 3. ICC DSI
 - iii. ICC DSI option getting traction in the team discussion
 1. Maybe not taking this within their site but getting the first impressions and comments how to get further
3. Next meeting on the 24th of June, 2024
