The agenda

1. Common matters
 - a. Member status
 - i. No news since the previous meeting
 - b. Market news
 - i. MLETR adapted by France into the local legislation
 - ii. US and DE are deemed as MLETR ready by ICC DSI, yet there is no “final” confirmation on that
 - iii. NordLEI acquired the first European QVI (Qualified vLEI Issuer) status from GLEIF, which is good news for the digitalisation of global trade and trade finance
 1. We might have a presentation from NordLEI to update us on the capacities of the vLEI and other features of NordLEI
2. Bank Guarantee status and Documentary Credits next steps with the model publication
 - a. Harri has made needed modifications and actions to make publication soon available
 - i. “cover letter” for a blog and social media sharing
 - ii. Standardised Trust LinkedIn group transformed to be public
 - iii. Excel model files available at OneDrive
 - iv. GitHub publicly available as well for JSON schemas
 1. JSON schemas aligned with the latest changes and updates in the Excel Workbooks
 - b. No news from ICC DSI
 - c. Swift’s Kadam Mukta is waiting for us to share the model
 - d. Deepesh Patel is also eager to make an article for the TFG publication on the model work we have done
 - e. Participants on this meeting were also very positive to go public with the material
 - i. Timing is good as many other initiatives would have capability to get some inspiration of model created
3. Next meeting in September, 2024
 - a. Harri to book and invite the meeting
