

Standardised Trust WG meeting, 2025-12-22, at 14:00-14:50CET

Attending: Harri Rantanen, Laura Salli, Gunnar Collin, Saila Alapiha

The agenda

1. Market news
 - a. GTR Nordics reflections
 - i. Good crowd joining with good attention and atmosphere by the attendees
 - ii. New concepts by the arranging organization
 - iii. Working capital finance focus a bit more than previous
 - b. MLETR law change progressing both in Finland and Sweden
 - i. Both countries are now having true push for the governmental authorities to make actual investigation with some funding for the upcoming governmental period
 - ii. Swedish page by ICC Sweden: <https://icc.se/digitalhandel>
 - c. Uniform Commercial Code signed by the NY (US) to be part of the legal framework
 - d. Swift Release 2026 voting insights
 - i. Voting done and on Friday last week the final approval for the party name and address fields was done – yet the structure is still as more free text instead going into the structured format as in the payments domain, which is not good
 - ii. HS codes added as optional as well as the INCO terms as dedicated fields
2. Actual activities
 - a. ITFA/FFE/OP & ST event next year in May 2026
 - i. No new news in this meeting
 - ii. More news after the new year change
 - b. Bank guarantee text standard / harmonisation task force:
 - i. Task force paper shared to all active members
 1. No feedback heard by any attending today
 - ii. Let's get back to this topic here as well after the year change
3. AOB
 - a. Some Enigio news by Gunnar shared
 - i. Patrik Zekkar will stand off from the CEO position by the year change
 - ii. Enigio end-to-end digital bank guarantee solution on place in Sweden
 - iii. Maersk in collaboration with Enigio for the eBills of Lading
 - iv. Checklist for banks to go digital by Enigio / Gunnar to be reviewed in this group. Another version to corporates upcoming as well.
4. Ending the meeting
 - a. Next meeting in February, 2026 – Harri will send an invitation later on
